

Application Number 10/772,537  
Art Unit 1639

Because the decapeptide in claim 13 is different from the sequences of claims 12, 14 and 15, Applicant cancels claim 13 without prejudice and reserves the right to file a divisional application directed to that decapeptide.

### Conclusion

In view of the foregoing, Applicant respectfully requests that Examiner withdraw its restriction/ election requirement and further accept New Claims 16 through 19. With this amendment and response, no new matter has been added. Reexamination and reconsideration of this application, as amended, is requested. If any additional fees are required for this Petition, please deduct the required amounts from Deposit Account No. 500703 (Trojan Law Offices).
